

# THOMSON 21ST CENTURY CLUBS NEWSLETTER

October 2018

## MESSAGE FROM COORDINATOR

After-school clubs are off to a great start! We are excited to be offering cooking, science, sign language, art, robotics, yoga, dance, soccer, math tutoring and Indian Education.

Students have been busy building robots, trying new foods

from different cuisines, learning new skills in soccer, and making their own slime.

We have received such a positive response from students and can't wait to see what else they accomplish throughout the year!

## REMINDERS

- If your child is present for the school day but will be absent from clubs, please contact Katie Healey or the front office.

- To sign your child up for Indian Education, email Katherine Flecksing:
